SESSION 11

Experiences in Virtual INSARAG Events (ERE, UCC, ERSIMEX, others)

Online training and exercises in 2021

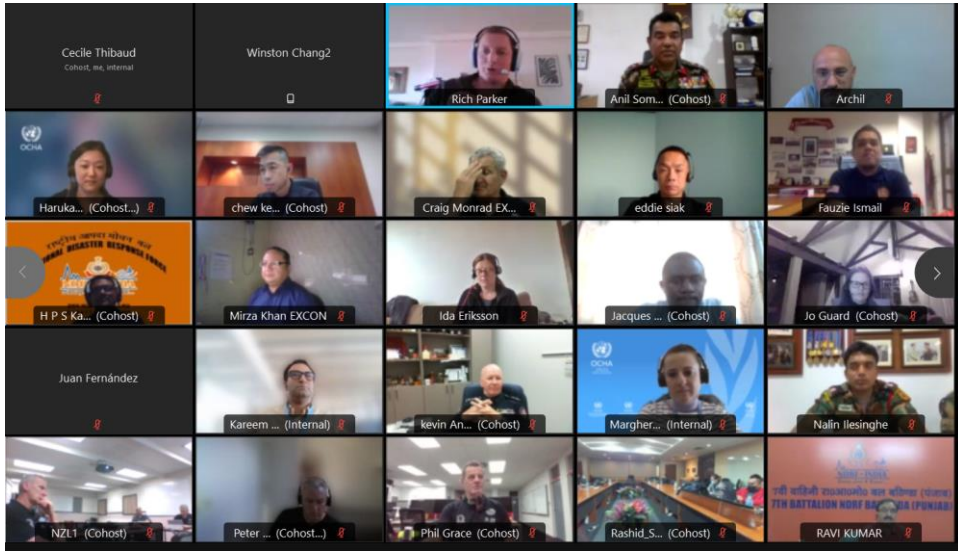
- 4 ICMS training sessions in the Pacific, Asia, AEME, and Americas
- UC training in Russia
- Simex in Peru
- 3 ERSIMEX as part of UNDAC refresher courses
- ERE China

ERSIMEX

Collaboration with UNDAC refresher course

- **INSARAG participation to UNDAC online refresher course**
  - **ERSIMEX as a venue to interact/coordinate with different networks of OCHA ERS**
  - **2-day event consists of pre-exercise session and simex**

- **Focus on coordination with different actors**
  - **UNDAC**
  - **Environmental Experts**
  - **Private Sector (since 2022)**



- **4 Key Injects for USAR Teams**

- **Conducted 3 times in 2021**
  - **1st session: 21 May**
    Teams: GER-1, CH-1, NLD-1, GBR-1
  - **2nd session: 1-2 July,**
    Teams: AUS-1, AUS-2, CHN-1, INA-1, NZL-1, SGP-1

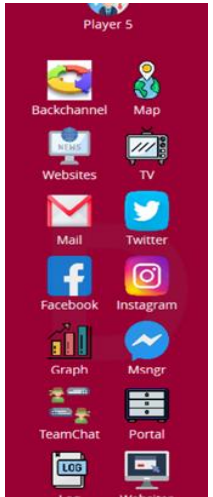
    Teams: AUS-1, AUS-2, BGD-10, JOR-1, IND-10, SGP-1, LKA-10, NZL-1, UKR-1, QAT-1

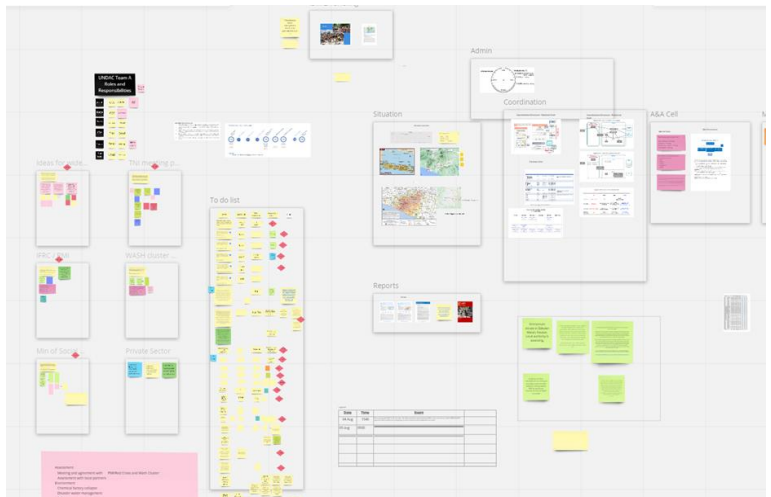
ERSIMEX

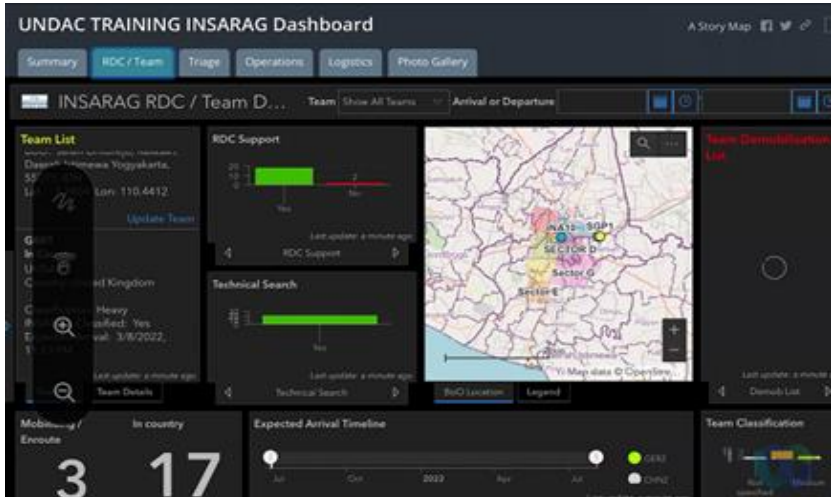
Collaboration with UNDAC refresher course

Exercise platform and online tools:

- **Webex:** Main online training platform with breakout rooms for all functional groups
- **REM system:** Management of injects by calls, social media posts, emails from role players, etc.
- **Miro Board:** Online white board for the participants
- **Signal/WhatsApp:** Additional communication support among participants and EXCON
- **ICMS:** Information management of USAR teams and operations







ERSIMEX

Collaboration with UNDAC refresher course

- With the compressed timeline, it is difficult to simulate the whole deployment cycle
- Good opportunity to train UCC/coordination with different actors in emergency response
- Promote understanding of INSARAG/ICMS to UNDAC and environmental experts
- Pre-simex sessions with functional group and on ICMS are helpful to maximize the interaction during simex
- Back-channel communication among EXCONs, communication trees and liaison with other functional EXCONs are keys
- Builds up EXCON roster to manage/support other online simex ex. ERE China
- 2022 Plan TBC
